

American Israelis

Migration, Transnationalism, and Diasporic Identity

Uzi Rebhun and Lilach Lev Ari

This book is a scientific and comprehensive analysis of Israelis who live in the United States. Using different complementary sources of data, and through cutting-edge approaches in the social sciences, this volume examines the settlement patterns of the Israeli immigrants, their social profile, their economic achievements, their Americanization processes, as well as the nature and rhythm of their Jewish identification including changes in attachment to the homeland. The characteristics of the immigrants shed light on Israeli society. At the same time they also have important implications for the Jewish community in the host country and on Jewish continuity in America.
